PRESIDENT'S MESSAGE

This issue of TNA News carries the candidates for office of TNA. I urge each of you to carefully consider these candidates and their qualifications for the office they seek. You should be receiving your ballot in early March and it is very important that you return your ballot as quickly as possible. All ballots must be in and counted by convention time which is April 16 through 18, so you can see how important an early return will help.

✧

Our secretary, Mrs. Folda, reports that the dues are coming in very fast, and there is a strong possibility that TNA will begin 1971 with the largest membership ever. Thanks to each of you for your help to achieve this mark.

Convention time is just around the corner and I hope you have made your plans to attend.

✧

Our TNA News has been entered in the contest for best local club, state or regional group publication sponsored by ANA with awards to be presented at the national convention to be held in August at Washington, D. C. The requirements include that the publication be published at least quarterly with a copy of each edition sent to ANA headquarters. Judging will be based on general appearance, newsiness, composition, quality and aptness of illustrations (if there are any), arrangement and relative interest to readers of the copies submitted. WHO WILL BE NUMBER 1 IN 1971? WE HOPE THE TNA NEWS!

NEWS ROUNDUP – A.N.A.

By NORMA MATHER
Corpus Christi, Texas
A.N.A. Representative

PLEASE – READ, ACT!!

Your response to this column can have a long-term and dramatic impact on our hobby. Here is something you can do to improve it.

In his "Call for Nominations ....." in the January **Numismatist** (p. 50) and his "from the President's Desk" (p. 4) Herbert Bergen reminds us that this is the time for nominating officers and board members to lead the association for the next two years. He outlines responsibilities and procedures and urges all members to exercise their prerogative to choose the officers of ANA. He stresses the seriousness of selecting nominees who are qualified, responsible and willing to sacrifice their own interests for those of the organization. Already promotional material for one nominee is on my desk. Two Texans deserve your active support. Both live here in Corpus Christi; it is my privilege to know them, heartily recommend them to you and urgently solicit your support for them.

Norma Mather

Richard Long, elected to the ANA board by a narrow margin in 1969, the junior member, has proved himself very capable, forthright, dedicated and effective. He has earned the respect of other board members and our backing for another term.

"Dick" worked hard to get convention bourse rules changed to be more fair to dealers, consistent with those of other organizations across the country. As a dealer himself he attends many shows and can evaluate practices, all the while bearing in mind what is also good for the collector, the basic entity in the hobby. He has made a sincere effort at every opportunity to improve the image of ANA as a dynamic organization with much to offer its members.

As chairman of the exhibits committee, Dick heads up the study to revise and interpret exhibit rules and score sheets, to clarify the issues and achieve full understanding by exhibitors and judges alike. This has been a grave need for years.

Responsibility for developing a museum at ANA headquarters was assigned a committee chaired by Dick. We need to help return him to continue these projects. As a dealer his time is his own, his contacts are wide and his interests constructive.

Joe B. Davis describes himself as "a real old-timer in the hobby." He has been a member of ANA for 29 years, collecting, and building a library relating to his specialties for over 50 years. Joe is largely responsible for organizing Corpus Christi Coin Club, instrumental in sponsoring others, and persisted for several years to launch TNA, serving as its first president. He has worked effectively in all phases of the hobby to encourage collectors of all ages; has served as officer, committee chairman or member, exhibitor, judge, counsellor, appraiser and authenticator unstintingly, ever glad to share his knowledge and ethusiasm.

Joe has traveled extensively ever pursuing his hobby. He is most concerned about dishonest practices. He has trained himself to recognize counterfeits, has sought them around the world, has learned the sources of many. Joe is tenacious, unafraid, and

JUNIOR READIN' ROUNDUP

By MARY JANE WHYBORN
San Antonio, Texas
Youth Chairman

Another year is well under way and there is a lot of work to be done by all of us. We must all pitch in and strive toward one single goal: **MAKE '71 THE BIGGEST ONE!**-- This can be the best year ever for TNA, but you and I cannot do it alone it takes all of us working together

Start by renewing your TNA membership, if you have not done so already Those of you who joined in 1970 are, of course, paid through 1971. Then I want to see each one of you current members bring in at least one new member during 1971. You should be able to bring in a lot more than that, but even one is a step in the right direction. If each of you would recruit just one new member, and each one of those would recruit another new member etc., just imagine how many new members we could pick up in just one year's time.

Next, I expect to see a large representation from you Juniors among the exhibits at the annual convention in Amarillo in April. I realize that these will have to come mostly from you in the Panhandle but then we have a lot of junior members in the Panhandle. If your local club does not have any exhibit applications or does not receive some soon ask your club president to contact Lloyd Colvin, general chairman I expect to be in Amarillo, and I don't want to have to tell Mr. Colvin that our juniors are not even interested enough in the organization to which they belong to enter an exhibit in the annual convention.

If you've never exhibited or you need assistance for any reason whatsoever, ask your local club officers. They should all be seasoned exhibitors and ready and willing to help in any way they can. Don't hesitate to write to me, I will gladly answer any questions you may have. If I don't know the answer, I'll find out. Exhibiting is lots of fun, so give it a try.

Well, let's get moving. We all have a lot of work ahead of us. TNA needs all of us, not just a few.

MARK YOUR CALENDAR ! ! APRIL 16-18 IS RESERVED FOR THE 1971 TNA CONVENTION. HOST CLUB WILL BE AMARILLO COIN CLUB.

MEMBERS! You are not using the T.N.A. Memorial Library! We sent out very few books and only 40 slide sets during the year.

The list of library books and slide sets will be included in the new membership directory being prepared by Mary Jane and Ray Whyborn. However, we still have available the same lists and will be happy to send them until the new directory is ready.

Wally Gilmore

Remember - all it costs you to use the library is the postage both ways. Using library raate - that is mighty cheap.

Also, when returning slide sets, please tie the case with heavy string as the straps holding the containers together are getting worn and work lose easily, resulting in the tops coming off and we may lose some slides that way.

NEWS ROUNDUP — ANA —

has promised to work hard to get something concrete accomplished in really bringing to account dealers who are hurting the hobby by dealing, knowingly and persistently, in counterfeit and questionable coins particularly those brought into our country from abroad. (Dick is also anxious to see this accomplished.) Joe is semi-retired and free and willing to devote time to ANA.

These two men were included in the ANA slate proposed by the TNA board at its meeting in September. They merit nomination by you as an individual and by your club(s). Write your letter NOW to Adna Wilde, Executive Director of ANA, Box 2366, Colorado Springs, Co. 80901, solicit votes to get Dick and Joe elected and so render a real service to numismatics.

But two from Texas? - and from Corpus Christi, yet? Yes! Why not? They are both dedicated to the hobby, to ANA, capable and willing. Let's work together to get them elected!

"Numismatics - the Hobby of all Ages - Boy! What you can do with that as the theme for National Coin Week 1971 as announced in January **ANA Club Bulletin.** The committee has come up with a real "goodie". What a topic for talks to groups of all ages on the air and for exhibits April 18 through 24. Write NCW chairman Lee Martin at P.O. Box 1936, Santa Ana, Calif. 92711 for information, rules and forms.
